To: Wisconsin Register of Deeds Association
From: Oskar Anderson, State Registrar
Date: November 26, 2013
Subject: Thank You

As another year-end quickly approaches and the Thanksgiving tradition reminds us to take a little time to reflect, the State Vital Records Office staff would like to express our sincere appreciation to the Wisconsin Register of Deeds Association for your ongoing support!

This year, we implemented a new Statewide Vital Records Information System (SVRIS) for electronic death record registration. Your support, feedback and expertise during the development and implementation of SVRIS have been an invaluable part of this successful project. Currently, all 72 Wisconsin coroner/medical examiner offices have at least one individual using SVRIS to complete medical certifications for death records, and all but a tiny handful of death records have been created in the system directly by funeral homes or coroners and medical examiners.

We look forward to our continued partnership in the coming year. Please continue to provide suggestions for improvement in our joint operation. Our collaboration will improve SVRIS and provide high quality service to all Wisconsin residents we serve.

On behalf of all the staff at the State Vital Records Office, thank you again and we wish you a safe and happy holiday season.
